Master
Städtebau NRW

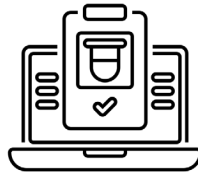

1

You have successfully completed your bachelor's degree in architecture, urban planning, landscape planning, or a related discipline.

2

Submit your application on time via the digital campus management system CaMS. A postal application is not required.

3

You will receive an invitation to the selection process via email. This may be sent at short notice. Please check all your mail folders (including spam) for messages.

4

Take part in a successful aptitude interview, during which we will discuss a project that demonstrates your particular interest in and suitability for the master's program. You will receive information about the date and location in the invitation email.

5

Please check the status of your application regularly in the campus management portal. Note that processing may take up to three weeks. You can view the admission decisions in the portal.

6

If you are admitted, you will receive all further information regarding the steps required for enrollment.

FAQs

Where can I find information about the application process for the Master's program in Urban Planning NRW?

You can find collected and up-to-date information at the following link:

Do I need to prepare/submit/upload a portfolio for the application?

No, a portfolio is not required for our application process. Also, no portfolio with work samples is needed for the aptitude interview.

I have not yet completed my degree. Can I still apply? Are there any exceptions?

No, the degree must be completed by the application deadline. If your certificate is not yet available, please submit an official transcript of records with a signature and stamp from your university.

Since I cannot be on site, would it be possible to conduct the interview online?

We would prefer to meet you in person on site. In justified exceptional cases, the aptitude interview can take place digitally.

I have questions about German language skills and certificates.

Please feel free to contact the Department of International Affairs at TH Köln.

Under what circumstances do I have to apply through uni-assist?

For international applicants, a special application procedure with an earlier deadline applies. If you hold a bachelor's or diploma degree, which is related to the master's program and was obtained abroad, the application must be submitted through uni-assist.

How is the aptitude interview conducted?

The interview lasts 15-20 minutes and mainly focuses on your personal motivation. The commission members include two professors, a member of the administrative staff (WMA), and a student from the master's program.

How do I enroll for the study place, and which documents do I need to submit?

With the admission letter, you will receive detailed information from the university about the enrollment procedure and the required documents.

I have further questions; who can I get in touch with?

For further questions about the aptitude interview or admission requirements, Sarah Jarosch, the program coordinator for the Master's in Urban Planning NRW, is available.
